Dear Hedgehog Friend...

Since opening our doors, 20 years ago, we have rescued 4000+ hedgehogs, about 200-300 a year. We have always been dedicated to rescuing and rehabilitating hedgehogs, even more so, since they were put on the ENDANGERED LIST, 4 years ago so they need all the help they can get!

Our doors are open 24 hours a day, 365 days a year to receive hedgehogs. Every hedgehog casualty brought to the hospital is treated completely FREE OF CHARGE and released back to the wild when they are fully fit. No sick, injured or orphaned hedgehog is ever turned away, every casualty is given a chance. If it is unable to be released back to the wild then it is kept in as natural conditions as possible. We also give free help and advice by phone or email, day and night, to people all over the country and the world.

Twenty years ago, we had lovely wooden pens, kindly, built for us, for the hedgehogs, but over so many years, the wood, now, harbours germs which can cause problems to a hog, already in a weakened state. Prickly Ball Farm Hedgehog Hospital relies on donations from the general public and it receives no state funding or financial assistance.

So, this is why we are asking you if it is at all possible for you to help us by sponsoring a new polypropylene hospitalisation pen to rehabilitate a hedgehog in. The cost of one new pen will be £190.00. For the generous donation of this sum, you will receive a family season ticket for 2010, where you can enjoy the farm animals and admire the hospital's new refurbishment. Your name will be on our Sponsors Wall in the hospital so everyone can appreciate your contribution to our cause. To complete the package, you will also receive a 'WE HELP SAVE HEDGEHOGS' Certificate, which you can display in your home or workplace. If you cannot donate the full amount, you can still receive a Single person season ticket and a certificate for a £50 donation. We offer a valuable service to Devon, especially important in a rural area. Any donations will be gratefully received.

Yours sincerely,

Stephanie Hutton
